CHAPTER-V

SPECIALISED PROGRAMMES

Brief Note on Foundation Stone Laying Ceremony of MSME Technology Centres at Devanahalli Aerospace Park, Bangalore and at Vemgal, Kolar.

The proposal to establish the above said Technology Center is based on the fact that our State has some of the best aerospace and electronics industries and also is the home to advanced R&D institutions like HAL, NAL, etc. who have taken up some of the prestigious projects and this would be right time to support their activities by promoting the small-scale sectors. It is also opined that a very high-tech Technology Centre, with testing and calibration facility, to facilitate development of sophisticated tools required for the aerospace industry, would be the need of the hour. It is with this background that this project is taken up. The proposed Centre will cater to the needs of not only the aerospace based SMEs, but also provide necessary services in hi-quality testing and calibration areas required by MSMEs especially in aerospace and ESDM Sector.

The Government of Karnataka has already established an ultra-modern aerospace park at Devanahalli very near to Bangalore International Airport, where a large number of aerospace based SMEs would be accommodated. In this scenario, a world class Technology Centre, especially catering to the needs of aerospace sector in the same park would be a great boon for the development of the sector. **This would also facilitate our State to leap frog into a very hi-tech area and will also be the strongest magnet for investment.**

The Technology Centres (TCs) are expected to train about **10,000 trainees per year** in the 3rd year of its establishment through various long term and short term training programmes in the area of precision tooling and assist around 1000 industries by way of design & development of sophisticated moulds, dies, tools and equipment as well as consultancy in the related fields.

Organized and conducted the “Foundation Stone Laying Ceremony” of MSME Technology Centre at Devanahalli Aerospace Park, Bangalore on 4.08.2013. The Centre is being set up under the Ministry of MSME, Govt. of India.

Dr. M. Veerappa Moily, Hon’ble Union Minister of Petroleum & Natural Gas and Shri K.H. Muniyappa, Hon’ble Union Minister of State for MSME (I/C) laid the

Foundation Stone in the presence of Shri Prakash B.Hukkeri, Hon'ble Minister for SSI, Muzrai & Sugar, Govt. of Karnataka, Shri Pilla Munishamappa, Hon'ble MLA of Devanahally Constituency, Shri Amarendra Sinha, IAS, AS & DC(MSME), Govt. Of India, Shri M.N. Vidyashakar, IAS, Industries & Commerce, Govt. of Karnataka, Sri S.N. Tripathi, IAS, Joint Secretary(MSME),GOI, Shri M.Maheshwara Rao, IAS, Commissioner of Industrial Development & Director Of I&C, GOK and Senior officials from Central/State Government Departments/Organizations and representatives of major industry associations of Karnataka were participated..

On 24.9.2013 the Foundation Stone Laying Ceremony of MSME-Technology Centre proposed to be set up at Vemgal Industrial Area, Kolar District. The Foundation Stone, among other Schemes of Govt. of Karnataka, was laid by the Hon'ble Chief Minister of Karnataka Shri Siddaramaiah in the presence of Hon'ble Union Minister of State (I/C) for MSME and other Hon'ble Ministers, MPs, MLAs and Officers of State/Central Govt. Departments. The land for the MSME-TC at Vemgal Industrial Area has been earmarked by Karnataka Industrial Areas Development Board .

A Brief note on NVDP Held at Bangalore

MSME Development Institute, Government of India, Ministry of MSME, Bangalore in association with Department of Industries & Commerce and Karnataka Drugs & Pharmaceuticals Manufacturers' Association, Bangalore, organized 2 days' National Vendor Development Programme-cum - Industrial Exhibition for Pharma and Allied Sector on 6TH & 7th March, 2014 at The Lalit Ashok Hotel, Bangalore. Eighty-one (81) MSMEs have actively participated and exhibited their pharma products in the stall during the Exhibition. The programme was started with Invocation.

Welcome address by Shri S.N. Rangaprasad, Director, MSME-DI, Bangalore.

Shri S.N. Rangaprasad, Director, MSME-DI, Bangalore welcomed Shri M. Maheswara Rao IAS., Commissioner for Industrial Development & Director of Industries & Commerce, GOK, Shri Raghurama Bhandary, Drug Controller of the State, GOK, Shri Jatish Sheth, President, KDPMA, Bangalore and other dignitaries on the dias and the august gathering. He emphasised the importance of organising National Vendor Development Programme every year, to bring both Public Sector and MSEs on a single platform to showcase the capabilities of MSE sector to cater to the needs of Public Sector as well as Large Scale Sector. He also called upon the MSMEs of pharma and allied sector of Karnataka to utilize this opportunity for their development and to improve their competitiveness and growth in pharma sector in future. He also said that Karnataka

is one of the fast growing Bio-pharmaceuticals State and has 236 pharma companies and contributes 8% to the domestic revenue and 10% to the exports. The Director of MSME-DI, Bangalore has also explained in detail about the various schemes introduced by Govt. of India viz., CGTMSE, NMCP, CLCSS, ISO, Barcode etc. And also NMCP schemes and its ten components under the NMCP scheme targeted at enhancing the competitiveness for the entire value chain of the MSME sector for the benefit of MSEs and requested them to utilize this opportunity for their development. The public procurement policy will help to promote MSEs by improving their market access and competitiveness through increased participation by MSEs in Government purchases and encouraging linkages between MSEs and large enterprises. The programme was inaugurated by Shri M. Maheswara Rao IAS., Commissioner for Industrial Development & Director of Industries & Commerce, GOK and other dignitaries on the dias formally by lighting the lamp.

Speech by Shri M. Maheswara Rao IAS., Commissioner for Industrial Development & Director of Industries & Commerce, GOK

While delivering inaugural address, Shri M. Maheswara Rao IAS., Commissioner for I&D and Director of I&C, GOK whole-heartedly congratulated the Director, MSME-DI, Bangalore & Karnataka Drugs & Pharmaceuticals Manufacturers' Association, Bangalore for organising such an impressive, fruitful and informative event for the first time in the State of Karnataka, especially for Pharma sector. He assured that one official from the Department angle will interact with the agency regarding issues related to pharma sector on daily or weekly basis regarding how to cope up with all these problems. He requested the participants to come forward with the idea of forming clusters for their development, so that can compete with global market and can grow still further. There must be proper vision to make this sector a vibrant in the State of Karnataka.

Speech by Shri Raghurama Bhandary, Drug Controller of the State, GOK

He expressed his happiness and appreciated the effort of MSME-DI for making use of this platform to showcase the various schemes, financial assistance, subsidies available from GOI and GOK for the benefit of SMEs. He also requested the pharma sector to grow nationally as well as in the international market with the right support of the above Departments and pharma sector should become strong like IT sector.

Once again, he appreciated the effort of MSME-DI, Bangalore for bringing together the Pharma sector, vendors, financial institutions, companies, Govt.organisations on one platform and also enable the buyers to discuss their requirements and purchase procedures in detail.

Speech by Shri Jatish Sheth, President, KDPMA, Bangalore

In his address, he thanked MSME-DI, Bangalore and & Deptt. of Industries & Commerce, GOK for their co-operation, help and encouragement in organising this programme for the first time in the State of Karnataka, especially for pharma industry. This sector is the backbone of the pharma industry and this sector undertakes contract manufacturing for large companies. He emphasized the need for setting up common effluent treatment plants for pollution control, but for the cost factor

for which clusters is the only solution. Since, clusters minimizes the cost of establishing the common facilities and can be used by related industries, it also works in synergy. Cluster with policies similar to SEZ with clear cut guidelines on land use bring down the cost of Greenfield projects tremendously as land is becoming prohibitively costly. Thus enable to manufacture medicines at a competitive price which will make procurement for the Govt., enterprises easier and faster. He also stated that the industry and academy should work together to research and develop medicines and designated incubation centres to help both the industry and academy to survive, as both are facing a tough future. He appealed to Govt. of India and Govt. of Karnataka to look into the problems and progress of the small and medium enterprise and have lot of schemes and solutions for the benefit of the SMEs. He also requested Deptt. of Industries & Commerce, Govt. of Karnataka and Ministry of MSME, Govt. of India to come forward to guide them in forming clusters and Research Incubation Centres for the pharmaceutical industry in a designated area and also to help them to promote their exports as there is a good potential.

Shri Vipin Kumar of KDPMA proposed vote of thanks. During the programme, a Souvenir was released by the dignitaries. Shri M. Maheswara Rao IAS., Commissioner for Industrial Development & Director of Industries & Commerce, GOK and Shri S.N. Rangaprasad, Director, MSME-DI, Bangalore along with other dignitaries inaugurated the Industrial Exhibition. The Exhibition provided an opportunity to MSE units and CPSUs to display/demonstrate their products, capabilities, requirements and services. After the inaugural session, technical sessions were handled by the following eminent speakers about their organisation through power point presentation on their requirements/schemes. Shri S.N. Rangaprasad, Director, MSME-DI, Bangalore in his presentation explained the participants about the activities of MSME-DI activities, NMCP Schemes, CGTMSE, CLCSS, ISO/Bar code etc., available for the benefit of MSEs and requested the participants to make use of this to the extent possible.

Shri Satyanarayana, General Manager, SIDBI, Bangalore spoke about the financial schemes of SIDBI at length and also informed that they are financing 20-30% to MSMEs.

Shri Goutam Sarkar, DGM, BHEL, Bangalore informed the participants that Pharma is not a core sector. They have their own Hospitals and they will follow the Guidelines of Govt. They go for open tender. Preference will be given to MSEs those who are registered and requested the participants to submit all certificates along with CA attestation who falls under the category and validity. But, MSEs are not coming forward for registration with BHEL.

Shri Chandrashekar, HMT, Bangalore explained that they have got International Training Centre and training will be provided to the pharmacy sector also. He requested the participants to make use of this facility.

Dr. Ravi, Additional CMO, South Western Railways explained in detail how to become their vendors. He informed that SW Railway recently switched over to e-procurement. Now, it is easy for MSMEs to register with them because registration, enquiries, tender etc., will be done on-line only and one copy of the document will be sent to them also for their records. He requested the participants to come forward to register with them for their requirements as no one has registered with them from pharma sector so far. He told the participants to go through their website for further information.

The President of KDPMA explained that because of turn over problem, they have not turned up. Any how, they will look into that in future.

Shri Senthil Nathan, GS1 India, Chennai, explained the Bar code procedures step by step and its advantages in detail and advised the participants to implement the same in pharma industries in future.

One of the participants expressed that printing of Bar Code while packing to be made simpler as they are finding it difficult to imprint on the cotton, instead on the carton which is easier and also legible. This point was taken into consideration.

In the plenary session, different participants made enquires with all the buyers presented the deliberations and sought support for the tenders participation by sending individual information to the interested the MSME units.

Eventually, the Co-ordinator of the NLVDP proposed thanks to the buyers and sellers of the event and also to the officers and staff of MSME-DI, Bangalore and KDPMA who have extended the support in organising the programme successfully.

A Brief note on NVDP Held at Mysore

MSME Development Institute in association with Department of Industries and Commerce Govt. of Karnataka, Mysore Industries Association and Mysore District MSME Association, Mysore organized two days National Vendor Development Programme cum Industrial Exhibition on 20th and 21st March 2014 at Nanajaraja Bahadur choultry, Mysore.

INAGURATION

The **Mega National Vendor Development Programme cum Industrial Exhibition** was inaugurated on 20th March 2014 by Sri.Muralidhar, Chief General Manager, BEML, Mysore. In his inaugural speech he expressed that Mysore has got lot of opportunities for the new Enterprises supported by many Govt schemes. He also invited micro and small entrepreneurs to approach BEML for any kind of assistance in technology up-gradation which would enable them to be a supplier to them. He congratulated MSME-DI, Bangalore for organizing NVDP at Mysore. Shri Bangara Raju, General Manager, SBM, the Guest of Honor in the function spoke that the government has slashed interest rate from 14% to 12% only to encourage budding entrepreneurs and existing entrepreneurs. Short term loan system has also been introduced keeping in mind that working capital should not be affected. He also invited the attention of the all the Industry Association members stating that the SBM has converted 15 branches as MSME branch from last one and half months. Sri.Padmanabha, Secretary, KASSIA the Guest of Honor emphasized the need for conducting such Mega Exhibition and Vendor Development Meet in different places of Karnataka to encourage the emerging entrepreneurs for their exposure in the market and creating opportunities for the new entrepreneurs, based on the requirement of large and medium sectors. He also said that the technology up-gradation schemes available to MSEs are not benefitting the MSEs in a very big way and requested Ministry of MSME to minimize the documentation part and create more awareness about the NMCP programmes. Sri.P.Vishwanath, President, MIA, Mysore the

Guest of Honor immeasurably appreciated the initiative taken by MSME-DI, Bangalore , MIA, Mysore and MDMSME Association in organizing the NVDP at Mysore and also guaranteed the organizers that there would be more participation of MSMEs in forthcoming event since there was election code of conduct and publicity could not be made extensively. Sri.K.S.Murthy, DGM (Matls), NMDC, Hyderabad was happy to say that this platform was very useful for a PSU to get introduced to the MSEs of Mysore region and they will be happy to get associated with MSEs of Mysore in providing them an opportunity in procuring components and required consumables from them. Sri. S.N.Rangaprasad, Director, MSME-DI, Bangalore in presidential address informed the importance of the programme and deliberated the Public procurement policy brought by Min of MSME for the benefit of MSEs and what major role the policy would play in future in giving marketing assistance to the MSEs.
